

PERSONAL DATA PRIVACY AND PROTECTION POLICY

This policy is based on and is to be read in consonance with:

The Information Technology (Reasonable Security Practices and Procedures and Sensitive Personal Data or Information) Rules 2011, notified under the Information Technology Act, 2000 (“Information Technology Information Technology Rules 2011”)

This Policy is applicable to the VISTONY INDIA PVT LTD Hereinafter collectively referred to as “VISTONY”

"Personal Information" or "Personal Data" means any information that relates to a natural person, which, either directly or indirectly, in combination with other information available or likely to be available with them, is capable of identifying such person. It excludes any information that is freely available or accessible in public domain or furnished under the Right to Information Act, 2005 or any other law for the time being in force.

VISTONY collects, uses and stores Personal Information relating to employees, clients, investors, service providers, subcontractors, business partners, creditors, shareholders, suppliers, or individuals who represent these parties when they are legal entities, and other business contacts for human resources, business, regulatory and internal compliance purposes. It is essential for VISTONY to comply with the requirements of all applicable data protection and privacy laws in order to maintain customer and employee confidence. VISTONY recognizes that the use and disclosure of Personal Information has important implications, both, for it as a business entity and also for the individuals concerned. Careful and considerate use of Personal Information is essential for maintaining trust and upholding VISTONY business reputation and respecting the concerns people may have about how their Personal Information is stored, used or disclosed which helps to build strong and productive relationships. VISTONY acknowledges it has obligations to ensure the collection, use, disclosure and general treatment of Personal Information is always fair and lawful and that Personal Information about individuals is protected against misuse, unauthorized or unlawful access, accidental loss, damage or destruction. Consequently, in order to protect VISTONY image and to comply strictly with the applicable regulations the following data protection principles summarized below will apply:

Purpose and manner of collection of Personal Data:

- Personal Data shall be collected for a purpose directly related to a function and activity of the data user.
- The collection of the Personal Data or Personal Information is considered necessary for that purpose.
- Consent shall be obtained in writing from the provider of the Personal Data (“Provider”) regarding purpose of such collection.
- Lawful and fair collection of adequate data.
- The Provider shall be informed of the purpose for which the Personal Data is collected, to be used, the name and address of the agency that is collecting the Personal Data; and the agency that will retain the Personal Data.
- The Provider must be made aware to the fact that the Personal Information is being collected.
- The Provider shall be provided with an option to not provide the Personal Data or Personal Information sought to be collected or to withdraw its consent given earlier during such collection by sending a written communication. In such case, VISTONY shall have the option to not provide the services for which the said Personal Information was sought. Accuracy and duration of retention of Personal Data:
- All practicable steps shall be taken to ensure the accuracy of Personal Data.
- The Provider can review the information provided by them as and when required and update the same for any inaccurate or deficient information which shall be corrected or amended as feasible.
- VISTONY shall not be responsible for the authenticity of the Personal Data supplied by the Provider.

- Personal Data shall not be retained for longer than is required for the purposes for which the Personal Data may lawfully be used or is otherwise required under any other law for the time being in force.

Use of Personal Data:
